

A-Level Geography

Exam Board:	WJEC
Preferred Entry Requirements:	5 GCSEs A* - C including English and Maths, preferably a Grade C for Geography GCSE.
Coursework:	None
Examination:	100% Topics covered are – the course is split into physical and human Geography, on the physical side we focus on natural hazards, rivers and climate change. The human aspect of course focuses on settlement and population changes (subject to amendments by Ofqual).
Is this the right course for me?	Yes, because Geography is a subject for today. Look in any quality newspaper and you will find geographical issues such as population, environment, transport and settlement discussed virtually every day. If you are interested in the issues of today and are prepared to debate and voice your opinion, then geography is for you. The skills you will develop will benefit you in whatever direction you take. The career options are wide ranging, you could even go into teaching although you may prefer town planning, tourism or renewable energy.
