SIZING OF GARMENTS

MACRON STRONGLY RECOMMENDS THAT ANYONE ORDERING PE KIT FOR THE FIRST TIME TRIES THE GARMENTS ON THEIR CHILDREN, EVEN WHEN PLANNING TO ORDER ONLINE.

If you are unable to attend a sizing event in school, then samples are kept at MacronStore West Midlands in Bromsgrove. Macron are offering the sizing service in school to hopefully avoid parents and carers needing to make the journey to Bromsgrove, but the facility is available if required.

Please call the store before travelling to ensure that a member of staff is available.

For example, the store may close early to facilitate a sizing event at this, or another school.

The sizing guide on the website is linked at the bottom of every page. Scroll down and look for the big blue box on the page footer – the sizing guide link is in the second column.

Please refer to the Men/Unisex and Kids Sections. You will see that S and Sjr are the same measurements. If these are applicable for your order, please select size S.

- There is one run of sizes: 3XS, XXS, XS, S, M, L, XL, XXL, 3XL, 4XL*, 5XL* (*1/4 Zip Sweat and Pants only)
For example, there is not a separate Junior Small or Junior Large
- Children's items go up to Size S / Adults' items start at Size M and above.
- Prices increase at Size M as VAT is due on adult clothing.
NB. Macron are legally obliged to keep children's and adults' items completely separate on the website – This makes the online shop more complicated, but we have no choice due to HMRC (VAT) Regulations.

THERE IS NO REFUND OR EXCHANGE IF SIZES ARE INCORRECT – PLEASE TRY THE GARMENTS ON BEFORE ORDERING.

IMPORTANT ADDITIONAL INFORMATION: PLEASE REFER TO THIS BEFORE CALLING THE STORE
