

26<sup>th</sup> July 2016

Dear Parents/Carers

**Central Bus 41 Route**

I would like to provide you with an update on the Bus Service used by the Academy.

Central Buses have informed us that they will cease the 41 route with effect from the beginning of September 2016 due to falling numbers and inconsistent use by our students.

We have attempted to find an alternative company but unfortunately due to the low numbers of students using this route it is not a viable option. We understand that this may prove difficult however please be assured that we have worked hard to find an alternative solution.

Therefore, we are asking you to make alternative travel arrangements for the new academic year commencing 6<sup>th</sup> September 2016.

Please be assured that if we are able to secure a new service for this route we will contact you immediately.

Thank you for your support with this issue.

Yours sincerely

Caroline Badyal  
Chief Executive/Principal
