

15th July 2016

Dear Parent/Carer

The Academy has established a unique opportunity for all Year 8 students where they will be able to build confidence and achieve key objectives of Social, Moral, Spiritual and Cultural aspects of their student life.

All students in Year 8 will be required to fulfill a number of hours on student reception (compulsory) during the academic year 2016 - 2017. This we hope will enable students to gain the necessary transferable skills, confidence and work ethic which will allow them to achieve more in later years. Each student that completes the required hours will receive a Certificate of Achievement to add to their portfolio and there will be prizes for those who go above and beyond during their time on student reception.

Please encourage your child to engage fully with this opportunity. They will not be missing any Core subjects such as Maths, English and Science during their duties.

All students will be trained in their Headstart lessons during this last half term of the academic year.

We hope the students are excited about this wonderful opportunity and we look forward to welcoming all Year 8 students in the new academic year.

Have an enjoyable summer break.

Yours sincerely

Mrs S Kelly
PA to Head of School
