

The Big Picture – Year 9 A1

The big question: How do musicians work together?

Questions to answer at the end of your music course:

How do popular musicians work together?

How do jazz musicians work together?

Who has a more important role, an accompaniment pianist or soloist?

How do African a capella singers work together?

How do choirs know when/where to sing?

How do chamber musicians work together?

Evaluation question: Should one musician be more important than another?
