

What weighs 907.6kg?

We are currently collecting for the local food bank at Great Barr. Tutor Groups are gathering donations and decorating a box in a theme of their choice. Outstanding contributions will represent the Academy in giving our donation, meeting people from the food bank, and seeing first-hand the work that they do.

Last year we were touched by the decorations, messages, and wonderful support of the Harvest box appeal. We managed to donate a colossal 906.7kg of food. The photographs show some of the best entries last year and a letter of thanks from the food bank.

Can we make it 1 tonne this time?

Students may bring in donations by **Monday 21st October.**

Items in high demand include:

- Long life milk;
- Tinned fruit;
- Tinned meat;
- Tinned fish;
- Tinned vegetables;
- Tinned potatoes;
- Steamed puddings;
- Rice pudding;
- Granulated white or brown sugar;
- Fruit juice.
