ACADEMY
GREAT BARR

Dear Parents/Carers

After what has been a difficult year for everyone, and for some sadly a tragic one, I want to reflect on two themes before sharing information for the new term.

First, after the challenges of the pandemic I'd like to encourage all students to count their blessings. Now more than ever, I hope we can all value those around us, and especially the relationships that sustain us when things have been difficult. We are nothing without each other and I want to thank the whole Academy community for its patience and support.

Secondly, there has been much in the media about the long-term educational damage caused to children and young people. This may be true in some cases but the overwhelming majority of students, especially those in secondary education, will catch-up. Students will catch-up at different rates, but the lost learning will not define their whole life. Our students are resilient, and they should not waste energy on worrying but take each challenge as it comes, rest assured that we will give our very best to help them.

Every year staff move on to develop their careers and we thank them for their work at Q3 Academy Great Barr. This year we say goodbye to Mr Bell, Mr Hallam, Miss King, Mrs Kular, Mrs Rani, Mr Thomas, and Miss Tristram.

During the summer holidays, students have more free time and this can present more risks. The recent spell of good weather has tempted some people to swim in open water and sadly, young people lose their lives every year by misjudging the effect of cold water. Another possible concern is the misuse of social media. Not all hazards turn into actual problems; and if children never face any risks, they never learn how to deal with them. As an Academy, we fund eSafety courses for parents/carers to help keep children safe online; you can sign up to a range of courses and see regular webinars [here](#).

In support of online safety, we do not allow students to use mobile phones in the Academy grounds. Any mobile phone seen on site will be confiscated for collection by a parent/carer. Please help remind students that mobile phones must be off and out of sight the moment they step through our gates.

Towards the end of the summer break, I know many of you will be buying new Business Dress. This can be purchased from Uniform Plus, Great Barr or The School Uniform Merchant, Tipton. Shoes should be black leather. Boots, trainers, 'work trainers', or canvas/suede shoes are not allowed. Girls' dolly/ballet shoes are not suitable either. Our Sports Kit is provided by Macron and can be purchased [here](#). I also want to highlight that students are not permitted to wear any jewellery other than one plain stud in each earlobe, that nails must be natural with no art or polish, and that hair must be an all-over natural colour ('dip dying' or highlights are not permitted). Haircuts must not be extreme, and must be a professional style. Our Business Dress policy is available on our website.

A reminder that detentions are issued for the same day, and these can be tracked on the ClassCharts app.

Please remember that adults must not come on to the Academy site without a pre-booked meeting. If you have any questions then all communication should be through your child's Personal Tutor in the first instance.
