

30th April 2015

Dear Parents/Carers

This time last year we wrote to you with news about the potential development of a new Academy in Oldbury. The need for additional secondary school places in Sandwell has resulted in this opportunity for Q3 to expand its work to reach a larger number of students.

The first building phase of the new Academy will be completed next year allowing us to open in September 2016 with our first Year 7 intake. This is an exciting development for all stakeholders associated with Q3 Academy and will bring benefits to students and staff at both Q3 Academies, which we are determined will be centres of educational excellence in Sandwell.

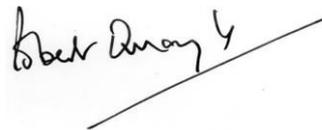

We do however want to assure you that the new Q3 Langley will not be allowed to divert our focus of ensuring that Q3 Great Barr continues its trajectory of success. Additional resources will be provided to guarantee that the new project will not impact negatively on the existing progress of our students.

We will continue to provide you with updates, and thank you in anticipation of your support and encouragement as we seek to make available the Q3 ethos to other young people living in the Sandwell area.

Yours sincerely

Caroline Badyal
Principal/Chief Executive

Robert Quayle
Chair of Governors
