18th June 2019

Dear Parents/Carers,

Equipment “5+2”

We have been really proud to see students rising to our expectations of **ready, respectful, and responsible** conduct. Well over half of our students have been immaculately behaved and not received a single reparation, and staff have already written almost 300 Praise Postcards to recognise outstanding work and effort that’s happening all over the Academy (these will shortly be printed and given out to students).

Some students have received reparations for a lack of equipment. We’re being really consistent about following this up, because it’s essential that students arrive to all their lessons ready to learn, and no time is wasted resolving issues with missing equipment. Please double-check with your child that they always attend the Academy with the following “5+2” items, i.e. five to always carry and two to bring to the relevant lessons:

1. Pen
 2. Pencil
 3. Ruler
 4. Calculator
 5. Purple Pen
-
- + Sports Kit
 - + Reading Book

We really want all students to have a positive daily experience at the Academy, and arriving fully equipped sets them up to succeed. I really appreciate your support with this.

Yours sincerely,
