Dear Parents/Carers

The Academy is changing our locker system, therefore locks will no longer be sold to the students. All parents will now need to purchase a locker code through the ParentPay system on a yearly basis at a cost of £5.00 per year.

Over recent years Q3 Academy has been able to absorb and manage costs that other schools have had to start charging for. However, we have now found ourselves in a position where we need to charge an annual fee for use of the lockers although we are going to invest that money back into the children's education in other ways.

If you do not have internet access you will be able to access ParentPay at the Academy on the Parent Consultation day on Wednesday 26th July, or facilities are available at your local library free of charge.

Thank you for supporting the Academy with this transition.

Yours sincerely

Mr M Arnall
Head of School
