

**Subject: Photography**

**Curriculum Leader: Miss Jeanneret**

**Exam Board: AQA**

**Overview:**

Students are introduced to a variety of experiences that explore a range of photographic media, techniques and processes. They are made aware of both traditional and new technologies.

Students explore relevant images, artefacts and resources relating to a range of art, craft and design, from the past and from recent times.

Students should use sketchbooks/workbooks/journals to underpin their work where appropriate.
