

**ACADEMY
GREAT BARR**

16th January 2017

Dear Parent/Carer,

At Q3 Academy we passionately believe that every student has the ability to succeed with the right support and guidance, and as the GCSE examinations approach it is vital that we work together to support our students, your children, to ensure that they are undertaking effective revision and preparation.

Therefore we are holding a 'Year 11 Study Skills Parent Session' on Monday 23rd January at 6.00pm in the performance theatre to help parents/carers take a more proactive role in their child's learning of English, maths and science. The aims of the session are to:

- Share and work through strategies that will maximise your child's ability to self-manage and take greater responsibility for their own learning.
- Introduce a range of strategies that will allow you to actively participate in your child's learning and progress.
- Provide advice and explore the best ways for you to facilitate and support quality revision and examination preparation.

On the evening there will be the opportunity to order revision guides for English, maths and science that will support your child's learning.

If you would like to attend the session can you kindly complete and return the attached reply slip to reception.

If you require any further information please do not hesitate to contact the Academy.

Yours sincerely,

Miss Callaghan

Assistant Vice Principal.
