

ACADEMY
GREAT BARR

8th February 2017

Dear Parent/Carer

At Q3 Academy your child has recently completed a series of mock examinations over a short timescale in formal conditions. This provided your child with an opportunity to experience the intensity they will meet during the actual examinations and has given them a chance to judge if their revision and coping strategies were effective. All examination papers have now been marked and the results are currently being collated ready for collection. To continue the experience we are imitating the results day by providing students with the grades from their mock examinations on Thursday the 16th February at 17:30, when you and your child are invited to formally collect their envelope. Staff will be on hand to provide support and guidance.

At 18:00 the Academy will repeat the presentation from the 23/01/17 evening 'Year 11 Study Skills Parent Session' in the Lecture Theatre to help parents/carers take a proactive role in their child's learning of English, mathematics and science. The aims of the session are to:

- Share and work through strategies that will maximise your child's ability to self-manage and take greater responsibility for their own learning.
- Introduce a range of strategies that will allow you to actively participate in your child's learning and progress.
- Provide advice and explore the best ways for you to facilitate and support quality revision and examination preparation.

On the evening there will be the opportunity to view revision guides that could support your child's learning. A member of the examination team will also be available to discuss collection of results on August 24th should you be unable to attend.

Can you kindly complete and return the attached reply slip to reception and/or email to help us plan for the number of families we are expecting. If you require any further information please do not hesitate to contact the Academy.

Yours sincerely

Mrs Blake
Assistant Vice Principal
