Dear Parents/Carers,

Hori7on Showcase 1 – Friday 15th November 2019, 2:15pm – 2:55pm

I would like to invite parents and carers of students in Year 7 to the first Hori7on Showcase of the academic year. Students have been working incredibly hard in their Hori7on lessons, and this is an opportunity for them to share their learning with you.

Hori7on is a project-based subject which draws on skills from a number of disciplines allowing students to not only learn these important skills, but to apply them practically in an authentic scenario. Students will study four different topics over the academic year, in the following areas:

- ✓ Performing Arts;
- ✓ Art and Design;
- ✓ Computer Science;
- ✓ Enterprise.

The Hori7on Showcase is an event where you are welcome to: participate in elements of a lesson alongside your child; see a performance that they have rehearsed; or share in the celebration of some jaw-dropping masterpieces in our Design Centre.

Please enter the Academy through the Community Entrance (to the left of the main entrance) and sign in at the welcome desk at 2:15pm (please do not arrive earlier than this time as you will not be able to enter the building). There is no on-site parking available, so please do pay attention to parking restrictions in the local area and be considerate of our local residents. Once you've signed in, our student guides will escort you to your child's lesson, so it's helpful if you know which of the four subjects they're currently studying in Hori7on. Please also note that mobile phones, cameras, or other recording devices may not be used in the Academy for safeguarding reasons. The event will conclude at 2:55pm with students finishing at the normal time of 3:05pm.

I look forward to welcoming you to the Academy for this event, and know that your child will appreciate sharing their work with you.

Yours sincerely,

A handwritten signature in grey ink, appearing to read 'L Price', is written over a white rectangular area.

Mr L Price
Assistant Vice Principal
Director of Key Stage 3
