Dear Parent/Carer

**RE: Pathways/Options 2021-22**

I am sure you will be aware that we are approaching the time of year when Year 9 students begin to consider their subject choices for Key Stage 4 (Years 10 and 11).

This year we have decided to delay the options process so students have more time in all their subjects before making a decision. This is especially important for the practical subjects which have lost so much time during the lockdowns. Further information about key dates, including that of our information evening, will be provided in the new half-term.

In the meantime, if you wish to learn more, you may find it useful to refer to last year's Pathways resources which can be found on our website: [www.q3academy.org.uk/pathways](http://www.q3academy.org.uk/pathways). This page will be updated with information for this year in due course.

Students will shortly receive a link through Google Classroom to indicate their initial subject choices. This form is not students' final option choices. These will be collected after the Year 9 Consultation Evening which takes place on 3<sup>rd</sup> May 2022.

Yours sincerely
