26/06/2024	Wednesday		Contingency day					

Please note: that **6th June (afternoon only)**, **13th June (afternoon only)** and **26th June (all day)** are national examination contingency days, in case any exam has to be rescheduled. It is essential that students are available on these days and do not book holidays over this period, even if their last scheduled exam is over. These dates hopefully won't be needed, but if they are, and students cannot attend due to holiday, they will not receive any marks for that paper.
