

Dear Parents/Carers

Rewards Days 2025

We approach the summer term in eager anticipation, as always, of the exciting opportunities in store for our annual Rewards Days. Thank you to the students who completed the Student Voice survey sent out on Teams allowing all students the opportunity to provide feedback and contribute to shaping Rewards Days.

We continue to be mindful of the financial burden on families and have worked hard to establish a relationship with our travel provider to get the best possible prices. The cost for each of the trips available, which includes transport and insurance, is substantially lower than the cost you would pay for the ticket alone if paying the on-the-gate price when going as a family. In addition to this, we have free activities available each day, so there's no obligation to spend anything at all!

How do I pick my child's activities?

Please carefully read through the form overleaf and select one option for each Rewards Day. Sign and date the form, and have your child return it to Student Services. Please note that some trips have a limited number of places available, and these are offered on a first-come, first-served basis, so we recommend returning the form as soon as possible. **The deadline for returning this form is Friday 6th June.**

How do I pay for trips?

Once we have received all forms and allocated all students accordingly, the trips selected will appear on your ParentPay account. **The deadline for all payments is Monday 30th June**, we cannot accept any payments after this date. **Please note that all payments are non-refundable and non-transferable under any circumstances.**

What to wear? What to bring? What time to arrive?

All of the relevant information for each trip can be found at www.q3academy.org.uk/rewardsdays2025
Please do not call the Academy with enquiries, we do not provide telephone support for trips. Our trips helpdesk will be happy to answer any questions you have, contact: trips@GBR.merciantrust.org.uk

How do the free activities work?

If you select an activity in the Academy, then students should arrive to be registered at 9:30am on the day and they finish at 2:30pm. If you select an activity from a Sandwell provider, please note that the Academy do not staff these events; parents/carers are responsible for their child if participating in these activities, and for booking the activity with the provider.

Yours faithfully

Mr L Price
**Assistant Headteacher
& Educational Visits Coordinator**
