24/06/2026	Wednesday	All Day	Contingency Day					

**Important Notice:** Please be aware that Wednesday 24th June 2026 (all day) has been designated as a national examination contingency day. This date may be used if any exam has to be rescheduled due to national or significant local disruption.

It is essential that all students remain available on this day and do not book holidays during this period, even if their final scheduled exam has already taken place.

While it is hoped that this contingency date will not be required, if it is used and a student is unable to attend due to holiday or other commitments, no marks will be awarded for that paper.
